TO GET STARTED FUNDING YOUR CHILD'S FUTURE

It's easier than ever. Seriously.

It's worth completing, even if your senior is unsure of their future plans. Filling out the FAFSA doesn't commit them to anything. It's simply the first step to seeing their funding options.

WHAT IS THE FAFSA?

The **Free Application for Federal Student Aid** (also known as the FAFSA) is the key to unlocking:

- Scholarships like the Michigan Achievement Scholarship
- Grants
- Loans
- Work-study funds

Eligibility isn't based on GPA.

And with more money available than ever — plus higher family income limits — your child might qualify for more than you think!

2 STEPS TO FILLING OUT THE FAFSA

1. Create **StudentAid.gov** accounts for you and your child.
2. Fill out the **FAFSA** together.
The simplified form is only 36 questions and takes most families 30 minutes or less to complete.
