

LETTER TO STUDENTS

[Subject line] You've got this, [Student Name]!

Dear [Student Name],

Graduation is almost here and I'm so proud of everything you've done to get to this moment.

Before you head into what's next — whether that's college, career training or another path — there's one quick (but important) thing to check off your list: **your FAFSA**. If you don't fill yours out, you could miss out on thousands for your next chapter (including free money through grants and scholarships, like the **Michigan Achievement Scholarship**).

No matter what path you choose, I'm cheering you on and wishing you all the best in what comes next.

Take care,
