VISION BOARD

Before you choose a college, career training program or another path, imagine the life you want to live — the career, the lifestyle, the *feeling* you're working toward.

PICTURE WHAT'S POSSIBLE

Answer these questions to picture what a career you love would look like for you.

What motivates me most? (*Money, flexibility, a set schedule, work-life balance, feeling like I'm making a difference, a career that excites me?*)

Do I see myself at a desk, in a classroom, on a jobsite or somewhere else?

Where do I see myself living or working? (*Close to home or somewhere new across the state? Big-city energy or a slower pace? Indoors, outdoors or on the road?*)

Do I want a set schedule or something more flexible?
(*9 a.m. to 5 p.m. every day, or a schedule that changes each month?*)

What do I want to be able to afford?
(*A car? My own place? Travel? Taking care of my family?*)
